

October 1, 2009

Parents:

In our effort to become more technologically resourceful, the Athletic Association has published a universal registration form on the school's website. You will be able to print and submit your child(ren)'s sports intentions at any time prior to the deadline. No money will be collected until the team is formed. The coach of your child(ren)'s team will collect the fees for the team. If the deadline is missed, you will have to contact the coach or coordinator of that sport to ensure that your child may join the team.

The Athletic Association asks that you not hesitate in registering for a team; that could be the difference of a team forming.

Registration process:

1. Print the registration form the school's website <http://www.sacs-stl.org/>
2. Under the Student Life and Athletics tab print the registration form
3. Submit the registration, either through the school/church or electronically sports@sacs-stl.org

Registration form fields

Self explanatory:

Name, Address, Zip, Grade, Gender, Date of birth and School Attending

The following fields are geographic specific

Parish of Residence (what is the Catholic Church in your home address area)

Parish of Registration (what Catholic Church do you belong, if NOT Catholic enter N/A).

Will your child play the sport you are registering for with a team outside of St. Ann during the season St. Ann will play? Example you are registering for basketball. Will your child play basketball for any other team during the basketball season? Which sports will your child play at the same time as the St. Ann season you are registering?

Check all of the sports you are registering
